Quote of the Day

"The nightmare that Saddam Hussein has brought to your nation will soon be over. You are a good and gifted people - the heirs of a great civilization that contributes to all humanity. You deserve better than tyranny and corruption and torture chambers. You deserve to live as free people. And I assure every citizen of Iraq: your nation will soon be free."

-- President George W. Bush, 4/10/03, in his Message to the Iraqi People
